

AUTISM SPEAKS™
It's time to listen.

The Autism Speaks Christmas cards have arrived!

All designs have the words 'Season's Greetings' on the inside and the following information about Autism Speaks.

One in a hundred children in the UK has an autism spectrum disorder. Autism Speaks is the only charity in the UK raising funds for research to discover the causes of autism, so we can improve the quality of life for those living with this confusing and isolating condition.
